

Mariam Noorlhuda

Department of Bioethics, National Institutes of Health Clinical Center | 10 Center Drive, Suite 1C118, Bethesda, MD, 20892 | mariamnoorlhuda@alumni.stanford.edu | 510-274-9029

EDUCATION

Stanford University

Bachelor of Arts in History

Minor in Biology and Human Rights

Honors in Democracy, Development, and the Rule of Law

Stanford, CA

June 2020

RESEARCH EXPERIENCE

National Institutes of Health, Department of Bioethics

Pre-doctoral Fellow

Bethesda, MD

September 2020-Present

- Conduct mentored theoretical and empirical research on a range of bioethical fields of interest.
- Participate in weekly bioethics seminars, case conferences, ethics consultations, and IRB deliberations.

Center on Democracy, Development, and the Rule of Law

CDDRL Interdisciplinary Undergraduate Honors Program

Stanford, CA

September 2019-June 2020

- Explored the politics behind health provision in post-2001 Afghanistan and the consequences of this politicization in a senior honors thesis.

Stanford Health Policy

Student Researcher

Stanford, CA

June 2019-September 2019

- Investigated the extent to which armed conflict is an important barrier to convergence of under-5 mortality in low- and middle-income countries using child survival data from the Demographic and Health Surveys.
 - Presented findings at the Stanford Global Health Research Convening and Stanford Symposia of Undergraduate Research and Public Service.
-

WORK AND SERVICE EXPERIENCE

Winn Lab

Student Researcher

Stanford, CA

October 2019-March 2020

- Assisted in cord blood and placental collection as well as processing of these samples in the OBGYN department for a large NIH study on preeclampsia and later cardiovascular disease.

Health Education Lifetime Partnerships for Kids Program

Student Teacher

Redwood City, CA

September 2019-March 2020

- Provided distributed, comprehensive health education in a middle school classroom that prepared students to make informed decisions for life's challenges and sought to improve the health decline of today's children.

Aliabad Teaching Hospital

Student Intern

Kabul, Afghanistan

August 2018-September 2018

- Assisted physicians in the emergency department with patient care by taking vitals and histories, performing physical examinations, ordering x-rays, and performing rounds, while gaining key insights into health in conflict areas and the social determinants of health.

Child Family Health International

Impact Abroad Fellow

Tarija, Bolivia

June 2018-August 2018

- Engaged with pressing health challenges in rural Bolivia including maternal/child health, chronic, infectious, and vector-borne diseases through primary care, hospital, and public health settings.
- Promoted education among children from marginalized backgrounds through afterschool programming at a local NGO/girls' shelter.

Center for Human Rights and International Justice

Student Worker

Stanford, CA

September 2017-June 2018

- Collaborated with partners across Stanford University and beyond on programs and events that foster critical inquiry and a deep commitment to human rights and dignity for all.
- Developed social media, website, and archival resources with a focus on human rights and transitional justice initiatives.

Stanford Health Advocacy and Research in the Emergency Department Program

Stanford, CA

Community Partner Manager

January 2017-June 2018

- Aimed to support patients in the emergency department by screening for social and legal needs that may affect their health and addressed these needs by connecting patients to appropriate community resources.
- Served as the point of contact for community partners who included: Second Harvest/CalFresh, San Mateo Legal Aid Society, and Single Stop.

Habla Volunteer Program

Stanford, CA

English as a Second Language Tutor

October 2017-April 2018

- Provided one-on-one English as a Second Language tutoring to Stanford custodial staff through a personalized curriculum to achieve desired growth.

“I Know I Can” Summer English Academies USAID Program

Ramallah, West Bank

Teaching Assistant

July 2017-August 2017

- Provided rigorous and culturally responsive English and college prep programming that deepened connections to community, fostered critical consciousness, and produced measurable skills growth.
