Yukiko Asada

Department of Bioethics
National Institutes of Health (NIH) Clinical Center

10 Center Drive, MSC 1156
Building 10, Room 1C115
Bethesda, MD 20892, USA
301-496-2429 (main) / 301-594-5519 (direct) yukiko.asada@nih.gov
ORCID: 0000-0002-3121-0719

EDUCATION

- 2003 PhD (Population Health), Department of Population Health Sciences, University of Wisconsin-Madison, Madison, Wisconsin, United States
Dissertation: A framework for measuring health inequality
Supervisors: Daniel Wikler, PhD and David Kindig, MD, PhD
- 1998 Master's degree (Environmental Sciences), Program in Environmental Sciences,
University of Tsukuba, Tsukuba, Ibaraki, Japan
Concentration: Bioethics
Supervisor: Darryl Macer, PhD
- 1995 Bachelor's degree (Biology), College of Biological Sciences, University of Tsukuba,
Tsukuba, Tsukuba, Ibaraki, Japan
Concentration: Bioethics
Supervisor: Darryl Macer, PhD

EMPLOYMENT & APPOINTMENTS

- 2022- Intramural Research Program Tenure-Track Investigator, Department of Bioethics,
National Institutes of Health (NIH) Clinical Center, Bethesda, MD, USA
- 2020-22 Full Professor (with tenure), Department of Community Health and Epidemiology,
Faculty of Medicine, Dalhousie University, Canada
- 2020-21 Visiting Professor, Department of Health, Aging & Society, McMaster University,
Hamilton, Ontario, Canada

- 2019-21 Graduate Coordinator, Department of Community Health and Epidemiology, Faculty of Medicine, Dalhousie University
- 2018-22 MSSU Associate Scientist, Maritime SPOR Support Unit
- 2013-19 PhD Program Coordinator, Department of Community Health and Epidemiology, Faculty of Medicine, Dalhousie University
- 2011, 2012 Visiting Scholar, Centre for Health Economics and Policy Analysis (CHEPA), McMaster University, Hamilton, Ontario, Canada, October 2011 and February 2012
- 2009-20 Associate Professor (with tenure), Department of Community Health and Epidemiology, Faculty of Medicine, Dalhousie University
- 2005-09 Assistant Professor, Department of Community Health and Epidemiology, Faculty of Medicine, Dalhousie University
- 2005-07 Postdoctoral Fellow, Canadian Institutes of Health Research (CIHR) Capacity for Applied and Development Research and Evaluation (CADRE) program, Department of Community Health and Epidemiology, Faculty of Medicine, Dalhousie University
- 2004-05 Lecturer, Department of Community Health and Epidemiology, Faculty of Medicine, Dalhousie University
- 2003-05 Postdoctoral Fellow, Canadian Institutes of Health Research (CIHR) Training Program in Ethics of Health Research and Policy, Department of Bioethics, Faculty of Medicine, Dalhousie University
- 2000-01 Research Assistant, Department of Population Health Sciences, University of Wisconsin-Madison
- 2000 Intern, Global Program on Evidence for Health Policy, World Health Organization, Geneva, Switzerland
- 1998-99 Research Assistant, Department of History of Medicine, University of Wisconsin-Madison
- 1998 Intern, Laboratory Counsel General Law Office, Los Alamos National Laboratory, Albuquerque, New Mexico, United States
- 1996 Intern, Office of World Health Reporting, World Health Organization
- 1995-96 Research Assistant, Institute of Biological Sciences, University of Tsukuba

AWARDS & HONOURS

The currency is in Canadian dollars unless otherwise stated.

- 2021 An Outstanding Reviewer, Canadian Institutes of Health Research (13% of 1,213 reviewers participated in the Spring 2021 Project Grant competition received this recognition), Ottawa, Ontario, Canada
- 2019 The Philip M. Farrell Population Health Distinguished Alumni Award, Department of Population Health Sciences, School of Medicine and Public Health, University of Wisconsin-Madison, Madison, Wisconsin, United States
- 2008-13 New Investigator Award, Canadian Institutes of Health Research (CIHR), \$300,000
2008 Community of Scholars Award of Excellence in Population Health Research, Dalhousie Medical Research Foundation, Halifax, Nova Scotia, Canada, \$7,000
- 2007-10 Clinical Research Scholar Award, Faculty of Medicine, Dalhousie University, Halifax, Nova Scotia, Canada, \$270,000
- 2006, 2007 Excellence in Teaching, Department of Community Health and Epidemiology, Faculty of Medicine, Dalhousie University, Halifax, Nova Scotia, Canada
- 2005-07 Postdoctoral Fellowship, Canadian Institutes of Health Research (CIHR) Capacity for Applied and Development Research and Evaluation (CADRE) program, \$100,000
- 2004 Summer Institute, Canadian Institutes of Health Research (CIHR), Canadian Health Services Research Foundation (CHSRF), and Canadian Institute for Advanced Research (CIAR), Whistler, British Columbia, \$2,000
- 2003-05 Postdoctoral Fellowship, Canadian Institutes of Health Research (CIHR) Training Program in Ethics of Health Research and Policy, \$71,333
- 2002 Vilas Travel Fellowship, University of Wisconsin-Madison, \$600 (US)
- 1993-03 Fulbright Scholarship, Japan-United States Educational Commission, \$27,000 (US)
- 1998-99 Multi-year Rotary Ambassadorial Scholarship, Rotary International, \$20,000 (US)

RESEARCH

Research Funding

PI: Principal Investigator; CI: Co-Investigator

The currency is in Canadian dollars unless otherwise stated.

- 2022-26 The impact of retirement income programs on health and health equity among

- Canadian seniors. Hajizadeh M (PI), Akbulut-Yuksel M, Asada Y, Dutton D, Fierlbeck K, Griffith L, Grignon M, Pulok M, Silver M (CIs). Canadian Institutes of Health Research (CIHR), \$378,675.
- 2022-24 Is unexplained inequality unfair? Asada Y (PI), Grignon M, Hurly J, Kirkland S, Maguire F (CIs), Jusot F, Schokkaert E, Trannoy A, Van Ourti T (Collaborators), Social Sciences and Humanities Research Council of Canada (SSHRC) Insight Development Grants, \$68,842.
- 2022 Representing whom? Citizen engagement in cancer research. Asada Y (PI), Urquhart R, Brown M, Lee J, Murphy A, Warren M, Warner G (CIs). Beatrice Hunter Cancer Research Institute (BHCRI)/Dalhousie Medial Research Foundation (DMRF) Seed grant, \$10,000 (non-competitive).
- 2021-22 Building a circuit of civic learning, dialogue, and connection to advance health equity: A deliberative model, materials, and metrics. Blacksher E (PI), Asada Y, Danis M, Onge JS (CIs). County Health Rankings & Roadmaps Research Grant 2021 Call for Proposals, University of Wisconsin Population Health Institute, support provided by Robert Wood Johnson Foundation, \$50,000 (US).
- 2021-27 Canadian Longitudinal Study on Aging (CLAS) Follow up 3 and Follow up 4. Raina P (Nominated PI), Wolfson C, Kirkland S (PIs), Balion C, Griffith L (co-PIs). Anderson L, Asada Y, Basta N, Beauchamp M, Cloutier D, Cosco T, Cossette B, Costa A, Davidson P, Dionne I, Dolovich L, Gao Z, Hofer S, Hogan D, Kobor M, Lathrop M, Levasseur M, Liu Ambrose T, McMillan J, Menec V, Mugford G, Pare G, Paterson T, Richards B, St. John P, Taler V, Thompson M, Wister A, Wu C (CIs). Canadian Institutes of Health Research (CIHR), \$52,000,000.
- 2020-21 Canadian Longitudinal Study on Aging (CLSA): Building a COVID platform for research in Canada. Kirkland S (PI), Asada Y, Stanojevic S, Kephart G, Dutton D, Kim JS, Wolfson C, Griffith L, Basta N (CIs). Nova Scotia COVID-19 Health Research Coalition, \$35,000.
- 2020-21 Fairness Dialogues: A new method for delivering health equity and its evaluation. Asada Y (PI), Brown M, McNally M, Murphy A, Urquhart R, Warner G. Dalhousie University Faculty of Medicine Bridge Funding, \$10,000.
- 2018-22 The socioeconomic health gradient in the life course in Canada. Grignon M, Asada Y (co-PIs), Hurley J, Kirkland S, Plouffe L (CIs). Canadian Institutes of Health Research (CIHR) Project Grant, \$317,475.
- 2017-20 The dynamics of health inequalities faced by Indigenous populations in Canada: What factors account for the inequalities? Hajizadeh M, Asada Y (co-PIs), Bombay A, Cooke M, Denny M, King M, Martin D (CIs), Jreige S (Partner). Nova Scotia Health Research Foundation (NSHRF) Establishment Grant, \$149,581.
- 2017-20 Cross-country comparison of equity in successful aging in Canada, France, and Japan. Asada Y, Hurley J (co-PIs), Grignon M, Kirkland S (CIs). Canadian Institutes of Health Research (CIHR) Catalyst Grant: Analysis of Canadian Longitudinal Study on Aging (CLSA) Data, \$70,000.

- 2015-20 Understanding inequalities and inequities in health and wellness among Canadians. Asada Y, Hurley J (co-PIs), Grignon M, Kirkland S (CIs). Canadian Institutes of Health Research (CIHR) Operating Grant, \$230,437.
- 2014-19 Canadian Longitudinal Study on Aging. Raina P (Lead PI), Wolfson C, Kirkland S (Co-PIs). CIHR Operating Grant, \$41,600,000 (2014-19), \$23,500,000 (2009-14).
2009-14 Co-Local Site Investigator with Susan Kirkland for Halifax Data Collection Site.
- 2017-18 Strengthening the foundation for Fairness Dialogues. Asada Y (Lead), Brown M, Marshall E, McNally M, Murphy A, Urquhart R, Warner G (Collaborators), Condran B, Jeffers E, Liu L, MacDonald K, MacKenzie A, Traynor R (Contributors). Maritime Strategy for Patient-oriented Research (SPOR) Support Unit, \$21,400 (in-kind).
- 2016-17 Laying the foundation for Fairness Dialogues. Asada Y (PI), Abelson J, Brown M, Hayden J, Marshall E, McNally M, Murphy A, Niederdeppe J, Osmond, B, Parker R, Skedgel C, Urquhart R, Warner G (CIs). Nova Scotia Health Research Foundation (NSHRF) Development and Innovative Grant, \$15,000.
- 2015-17 Team development for the Fairness Dialogues project. Asada Y (PI), Brown M, Marshall E, McNally M, Murphy A, Skedgel C, Urquhart R, Warner G (CIs). Nova Scotia Health Research Foundation (NSHRF) REDI Team Development Award, \$10,000 (non-competitive).
- 2015-17 Development of a three-stage approach to measuring health inequities. Asada Y (PI), Hurley J, Grignon M, Kirkland S (CIs). Nova Scotia Health Research Foundation (NSHRF) REDI Team Development Award, \$10,000 (non-competitive).
- 2015-16 Developing a combined population health mean and disparity index. Kindig D (PI), Lardinois N, Mullahy J, Asada Y (CIs). Robert Wood Johnson Foundation, \$156,210 (US) (non-competitive).
- 2013-16 Primary healthcare: The foundation for the health care system getting stronger. Burge F, Martin-Misener R (co-PIs), Murphy A, Whelan AM, Warner G, Piccinni H, Brown M, McNally M, Vallis M, Natarajan N, Sampalli T, Marshall E, Asada Y (CIs). Dalhousie Strategic Research Initiative Fund, \$221,000.
- 2013-14 Nova Scotia SPOR Network in primary and integrated health care innovations. Bower I, Burge F, Gibson R (co-PIs). Canadian Institutes of Health Research (CIHR) SPOR Network in Primary and Integrated Health Care Innovations, \$75,000. I am one of the 25 CIs.
- 2013 County health disparity rankings (Part 4). Asada Y (PI). Robert Wood Johnson Foundation Mobilizing Action Toward Community Health (MATCH) through University of Wisconsin Population Health Institute, project contract, \$7,000 (US) (non-competitive).
- 2012-13 Health equity: What people think. Asada Y, Kindig D, Norheim O (co-PIs). Canadian Institutes of Health Research (CIHR) Planning Grants – Priority Announcement: Ethics, \$25,000.

- 2012-13 Development of a summary measure of health inequities. Asada Y (PI), Hurley J, Norheim O, Johri M (CIs). Nova Scotia Health Research Foundation (NSHRF) REDI Team Development Award, \$10,000 (non-competitive).
- 2008-13 Unmet needs and unfulfilled wishes at the end of life: A population-based mortality follow back study. Burge F (PI), Asada Y, Flowerdew G, Grunfeld E, Johnston G, Lawson B, McIntyre P (CIs). Canadian Institutes of Health Research (CIHR) Operating Grant, \$432,187.
- 2012 Bottom-up summary measures of health inequalities: Within-county health disparities in the United States (Part 3). Asada Y (PI). Robert Wood Johnson Foundation Mobilizing Action Toward Community Health (MATCH) through University of Wisconsin Population Health Institute, project contract, \$4,500 (US) (non-competitive).
- 2011-12 Community-based end of life care: Toward an interdisciplinary cross-jurisdictional research program. Burge F (PI), Asada Y, Johnston G, Lawson B, Martin-Misener R, Miedema B, Shadd J, Stewart M, Urquhart R (CIs). Canadian Institutes of Health Research (CIHR) Planning Grants, \$23,960.
- 2009-12 Bottom-up summary measures of health inequalities: Social group weights and county-level analysis (Part 1 and 2). Asada Y (PI). Robert Wood Johnson Foundation Mobilizing Action Toward Community Health (MATCH) through University of Wisconsin Population Health Institute, project contract, \$13,500 (US) (noncompetitive).
- 2007-12 CIHR/Cancer Care Nova Scotia (CCNS) team in access to colorectal cancer services in Nova Scotia. Blanchard C, Burge F, Grunfeld E, Johnston G, Kephart G, Kisely S, Parker L, Porter G, Rayson D, Veldhuyzen VZ, Sander J (co-PIs), Asada Y, Blake J, Campbell LA, Colwell B, Cwajna W, Dewar R, Folkes A, Lawson B, Lethbridge L, Magge J, Rheame D, Urquhart R (CIs). Canadian Institutes of Health Research (CIHR) New Emerging Team Grant – Access to Quality Cancer Care – full application, \$748,545.
- 2010-11 Equity in health systems and health outcomes. Asada Y (PI). Dalhousie Faculty of Medicine Clinical Scientist Program, bridge funding, \$10,000 (non-competitive).
- 2010-11 Globalization, human capability, environments, and rural and remote health. Asada Y, Guernsey J, Vanleeuwen J (co-PIs), Curtis S (CI). Canadian Institutes of Health Research (CIHR) Operating Grant: Programmatic Grants to tackle health and health equity – letter of intent, \$15,000.
- 2006-11 Innovative interdisciplinary capacity building: Identification, explication, and applications of research for vulnerable populations at end-of-life. Burge F, Johnston G (co-PIs), Asada Y, Grunfeld E, Lawson B, Maddalena V, McIntyre P, Rocker G (CIs). Canadian Institutes of Health Research (CIHR) Reducing Health Disparities & Promoting Equity for Vulnerable Populations – Interdisciplinary Capacity Enhancement, \$820,000.

- 2008-09 Developing better supply measures: From provider to population ratios to supply to need ratios. Asada Y, Kephart G (co-PIs). Canadian Institute for Health Information (CIHI), contract, \$13,000 (non-competitive).
- 2007-10 Improved methodological approaches for need-based resource allocation. Asada Y, Kephart G (co-PIs), Bornstein S, Hurley J (CIs). Canadian Institutes of Health Research (CIHR) Operating Grant, \$205,086.
- 2008 Equity, poverty, and access – Canada. Asada Y, Kephart G (co-PIs). Health Canada, contract, \$8,000.
- 2006-07 Health inequality: Morality and measurement. Asada Y (PI). Nova Scotia Health Research Foundation (NSHRF) Knowledge Transfer (Exchange) Award, \$8,000 (non-competitive).
- 2006-07 Conceptual and methodological issues for research allocation models. Kephart G, Asada Y (co-PIs). Canadian Institute for Health Information (CIHI) RURAL Centre, Dalhousie University, \$5,000 (non-competitive).
- 2006-07 Towards improving access to quality colorectal cancer services across the cancer control continuum. Grunfeld E (PI), Asada Y, Barnard D, Burge F, Colwell B, Dewar R, Folkes A, Johnston G, Kephart G, Kisely S, Lethbridge L, McIntyre P, Prter G, Rayson D, Rheaume D, Veldhuyzen VZ, Sander J (CIs). Canadian Institutes of Health Research (CIHR) New Emerging Team Grant – Access to Quality Cancer Care – letter of intent, \$8,000.
- 2005-06 Innovative interdisciplinary capacity building: Identification, explication, and applications of research for vulnerable populations at end-of-life – letter of intent. Burge F, Johnston G (co-PIs), Asada Y, Grunfeld E, Iwama M, Kiceniuk D, Lawson B, McIntyre P, Rucker G (CIs). Canadian Institutes of Health Research (CIHR) Reducing Health Disparities & Promoting Equity for Vulnerable Populations – Research Program Development, \$5,000.
- 2002-03 A framework for measuring health inequality. Asada Y (PI). Agency for Healthcare Research and Quality (AHRQ) Grant for Health Services Dissertation Research, \$32,838 (US).

TEACHING & MENTORSHIP

Teaching Leadership

Unless otherwise stated, all are in the Department of Community Health and Epidemiology, Dalhousie University.

2019-21	Graduate Coordinator
2019	Implementation of the MSc curriculum change
2013-19	PhD Program Coordinator
2016-20	Design (2016-17) and implementation (2016-20) of the PhD comprehensive examination in the PhD Program in Epidemiology and Applied Health Research

- 2015-17 Development and implementation of a module-based two-term compulsory course, Epidemiology and Applied Health Research (CH&E 8020) in the PhD Program in Epidemiology and Applied Health Research
- 2010 Case development and writing of the Health Policy Case for the Professional Competencies 1 in the Undergraduate Medical Education Program, Faculty of Medicine, Dalhousie University

Courses Taught

All in the Department of Community Health and Epidemiology, Dalhousie University.

- 2019-21 Principles of Epidemiology and Population Health (CH&E 5010)
- 2019-20 Epidemiology and Applied Health Research (CH&E 8020), Equity in health and health care module and the course coordinator
- 2018-20 Epidemiology and Applied Health Research (CH&E 8020), Equity in health and health care module co-instructor with Leslie Anne Campbell and the course coordinator
- 2016-17
- 2004, 18 Determinants of Health in Human Populations (CH&E 6042)
- 2006-10 Introduction to Health Services Research and Policy (CH&E 5040)
- 2013-18
- 2005, 13 Research Methods in Community Health and Epidemiology (CH&E 5030)

Directed Readings / Electives / Practicums

Unless otherwise stated, all are in the MSc Program in Community Health and Epidemiology in the Department of Community Health and Epidemiology, Dalhousie University.

- 2016-17 Michael Catarino, Introduction to Health Services Research and Policy (Directed Readings)
- 2011 Thomas Muir, Advanced methods for health research (Elective, local supervisor for online course offered by Athabasca University)
- 2010-11 Stephanie Hughes, Impact of Collaborative Care on Diabetes Outcomes in Rural Nova Scotia (Practicum, departmental supervisor)
- 2009-10 Thomas Muir, Social Justice and Population Health, Undergraduate Medical Program, Faculty of Medicine, Dalhousie University (Elective)
- 2009 Kristen Ralph, Access to Mental Health Services in Canada (Directed Readings)

2009 Leslie Anne Campbell, Equity and Access to Health Care, Interdisciplinary PhD Program, Dalhousie University (Directed Readings, co-instructor with George Kephart)

Undergraduate and Postgraduate Medical Education

Unless otherwise stated, all are in Faculty of Medicine, Dalhousie University.

2015-18 Professional Competencies 1 & 2 in the Undergraduate Medical Education Program,
2010-13 tutor

2015-18 Lecture on health policy in Professional Competencies 1 in the Undergraduate
2010-13 Medical Education Program

2015, 18 Lecture and discussion on social determinants of health in the Shared Intrinsic
Curriculum Teaching for Fellows from Neonatal-Perinatal Medicine, Maternal Fetal
Medicine, and Pediatric Surgery at Dalhousie University/IWK Health Centre

2008-10 Case-Oriented Problem-Stimulated (COPS) Program, Population Health, Community
Service, and Critical Thinking Unit in the Undergraduate Medical Education
Program, tutor

Graduate Thesis Supervision

All in the Department of Community Health and Epidemiology, Dalhousie University. The PhD program started in 2016.

PhD program

2020-22 Souvik Mitra, administrative supervisor (a procedural role after his academic
supervisors left Dalhousie University but continued to supervise him)

2019- Nathan Smith, co-supervisor with Susan Kirkland

MSc Program

2020- Christina Torrealba

2018-22 Denielle Hodges

2018-21 Abbey Burns, co-supervision with Leslie Anne Campbell

2018-21 Samantha Radford

2018-20 Ben Keefe, co-supervision with Mohammad Hajizadeh
2018-20 Emily Rosta, co-supervision with Leah Cahill
2017-18 Sho Podolsky
2013-18 Ashley Chisholm, co-supervision with Grace Warner
2013-16 Steven Carrigan, co-supervision with Andrew Travers
2013-16 Adam Muir
2012-15 Rebecca McEwen, co-supervision with Fredrick Burge
2010-12 Margaret Turnbull, co-supervision with George Kephart
2010-12 Austin Zygmunt, co-supervision with Fredrick Burge
2008-14 Suzanne Clarke, co-supervision with George Kephart
2008-10 André Maddison
2007-10 Stephen Petersen, co-supervision with George Kephart
2007-09 Emily Wilson, co-supervision with George Kephart
2007-08 Maia von Maltzahn
2005-09 Audrey Layes, co-supervision with George Kephart
2004-08 Andrea Smith, co-supervision with George Kephart

Graduate Thesis Committee

Unless otherwise stated, all for MSc in Community Health and Epidemiology in the Department of Community Health and Epidemiology, Dalhousie University.

2021- Alanna MacDonald
2021- Jessica Vickery
2019-22 Alexa Irvin
2019-21 Cole Bowerman
2017-19 Emily-Ann Butler

2017-19	Sally Miller
2013-19	Anna von Maltzahn
2013-18	Laura Nauta
2009-12	Camille Angus

Research in Medicine (RIM) Supervision

All are in the Undergraduate Medical Education Program, Faculty of Medicine, Dalhousie University.

2018-21	Jeana Macleod
2015-20	Andrew Kirby
2013-15	Sowmya Sharma, co-mentorship with Jacqueline Gahegan
2013-18	Jeannette Verleun

Other Supervision and Mentoring

2020-21	Robbie Goodman, co-supervisor with Mohammad Hajizadeh for honours thesis, Medical Sciences BSc Program, Dalhousie University
2017, 18	Rachel Field, supervisor for undergraduate summer research assistantship
2010-11	Hannah Abel, advisor, before the Master's thesis topic was decided, Department of Community Health and Epidemiology, Dalhousie University
2009-11	Jill Hayden, faculty mentor, Assistant Professor, Department of Community Health and Epidemiology, Dalhousie University
2009	Moeza Merchant, advisor, before the Master's thesis topic was decided, Department of Community Health and Epidemiology, Dalhousie University
2008	Farhana Kanth, advisor for her senior seminar project in School of Health Services Administration, Dalhousie University

Thesis Examination as an External Examiner

2018	Sterling Edmonds. A thesis for the degree of Master of Health Administration. School of Health Administration, Dalhousie University
2018	Christina Hackett. A PhD dissertation in the Health Policy PhD Program, Faculty of Health Sciences, McMaster University

- 2016 James Falconer. A PhD dissertation in the Department of Sociology, McGill University
- 2013 Jongnam Hwang. A PhD dissertation in the School of Public Health, University of Alberta

SERVICE

International

- 2017-19 Special issue on “Justice and Health” in *Social Justice Research*, co-editor with Erik Schokkaert
- 2016-19 The National Institute on Minority Health and health Disparities (NIMHD) Science visioning process on health disparities measurement and methods science, content expert and lead author, Washington, DC, United States
- 2014-15 Second International Workshop: Health Equity: What People Think? Organizing committee, Co-Chair with Nicholas King, Montreal, Quebec
- 2013-15 National Institute on Minority Health and Disparities (NIMHD) Translational Health Disparities Course, faculty, Bethesda, Maryland, United States
- 2012-13 Inaugural International Workshop: Health Equity: What People Think? Organizing committee, Chair, Western Shore, Nova Scotia
- 2010-11 World Health Organization Scientific Resource Group on Equity Analysis and Research, Indicators Sub-group, Member, Geneva, Switzerland
- 2009-13 County Health Rankings Metrics Advisory Group, Member, University of Wisconsin Population Health Institute, Madison, Wisconsin, United States
- 1997 The UNESCO Asian Bioethics Conference, Assistant for the conference co-organizer, Darryl Macer, Kobe, Hyogo, Japan
- 1997 The 3rd International Tsukuba Bioethics Roundtable, Tsukuba, Ibaraki, Japan, Assistant for the roundtable organizer, Darryl Macer
- 1996 The 2nd International Tsukuba Bioethics Roundtable, Tsukuba, Ibaraki, Japan, Assistant for the roundtable organizer, Darryl Macer

Provincial or National

- 2021- The Justice Emmett Hall Memorial Foundation, Board of Directors, Member

- 2020-21 CIHR Project Grant, Social Dimensions of Aging Peer Review Committee, Reviewer
- 2018-22 Manuscript Review Committee, Canadian Longitudinal Study on Aging (CLSA)
- 2017-22 Local Site Co-Principal Investigator with Susan Kirkland. Canadian Longitudinal Study on Aging (CLSA)
- 2017-19 CIHR Project Grant, Health Services Peer Review Committee, Reviewer
- 2017-18 Maritime SPOR Support Unit Nova Scotia Science Working Group, Member
- 2016-18 Pan-Canadian Stakeholder Dialogue to Advance the Measurement of Equity in Health Care and Pan-Canadian Working Group to Define Core Stratifiers for Measuring Equity in Health Care. Canadian Institute for Health Information, Ottawa, Ontario
- 2015 CIHR Foundation Scheme Stage 2, Reviewer
- 2012-17 Pan-Canadian Health Reform Network Nova Scotia Branch, Co-lead (with Ingrid Sketris), Nova Scotia
- 2012- *Health Reform Observer / Observatoire des Réformes de Santé*, Editorial Board
- 2010-11 Canadian Association for Health Services and Policy Research (CHASPR) Host Planning Committee, Member, Nova Scotia
- 2007-10 CIHR Operation Grant, Health Services Evaluation and Interventions Research (A) Peer Review Committee, Reviewer
- 2007 NSHRF Health Policy, Services and Outcomes Peer Review Committee, Reviewer
- 2005 Canadian Bioethics Society 17th Annual Conference and Meeting, Halifax, Nova Scotia, Book table organizer
- 1996-98 Bioethics Education Network in Japan, Co-Founder, Facilitator of bimonthly meetings, and Editor of the bimonthly newsletters
- 1997 The 9th Annual Meeting of the Japan Association of Bioethics, Tsukuba, Ibaraki, Japan, Assistant for the conference organizer, Darryl Macer

University

Unless otherwise stated, all are at Dalhousie University.

- 2019-20 Working Group on the Learning Environment for Graduate Students and Working Environment for Postdoctoral Fellows in the Faculty of Medicine, Member
- 2019-20 Committee for the Senate Graduate Academic Program Review for Department of Economics, Member

- 2018-22 Internal peer review for applications for the CIHR Project Scheme competitions, Faculty of Medicine, member
- 2016-20 Healthy Population Institute, Executive Committee, External Member
- 2017-18 Search Committee for the James Robinson Johnston (JRJ) Chair in Black Canadian Studies, Member
- 2017-18 #DalMedForward, Focus Area 2 (Research that is Responsive to Health Needs across the Maritimes), Faculty of Medicine, Project lead
- 2017-18 Health Law Institute Senate Review Committee, Member
- 2015-16 Research Review Committee, Faculty of Medicine, Member
- 2014-15 First-Term Survey Committee of the Department of Family Medicine, Faculty of Medicine, Member
- 2014-15 Search Committee for Tier 2 Canada Research Chair in Primary Care, Faculty of Medicine, Member
- 2013-15 Nova Scotia Health Research Foundation Scotia Scholars Awards Master's Selection Committee, Member
- 2014 2014 Health Accord Panel, Canadian Doctors for Medicare Student Group, a panel presenter
- 2011 Research Day, CIHR Mock Review Panel, Reviewer
- 2011 Scholarship and Awards Committee, Faculty of Medicine, Member
- 2010 Discovery Days, Population health – why health care alone does not save you from flu and fat, coordinator
- 2006-09 NELS-ICE (Network for End of Life Studies CIHR Interdisciplinary Capacity Enhancement Grant) Management Committee, Member
- 2007 Workshop on Integrity in Scholarly Activity, Faculty of Medicine, Facilitator
- 1995 Planning Committee for Bioethics Teaching Notes for High School Students (English and Japanese), University of Tsukuba, Tsukuba, Ibaraki, Japan, Member

Department

All are in the Department of Community Health and Epidemiology, Dalhousie University.

- 2019-21 Graduate Program Coordinator

2019-20	Search Committee for Biostatistician, Assistant or Associate Professor, Chair
2019-20	Search Committee for Applied Health Services Research, Assistant or Associate Professor, Member
2019-21	Admissions and Recruitment Committee, Chair
2017-19	Admissions Committee, Member
2013-19	PhD Program Coordinator
2014-15	Search Committee for Soillse Scientist in Prostate Cancer Quality of Life Research, Chair
2014-15	Search Committee for Tier 2 Canada Research Chair in Patient-Centred Outcomes Research, Member
2014-15	Search Committee for Endowed Chair in Child and Adolescent Mental Health Outcomes, Member
2005-14	Department of Community Health and Epidemiology Seminar Series, Coordinator
2007-13	Graduate and Admissions Committee, Member
2005-11	Population Health Research Unit Data Access Committee, Member
2005-11	Population Health Research Unit Privacy Committee, Member
2010	Search Committee for Non-tenure Track 3-year Environmental Health Chemist Assistant Professor, Member and Chair (after the former chair left the committee for potential conflict of interest)
2007-08	Search Committee for Non-tenure Track 5-year Assistant Professor, Chair
2006-07	Social Affairs Committee, Faculty representative
